Information provided by the provider describing their agency:

Harry is a Board Certified Behavior Analyst and holds a Master of Education degree in Curriculum and Instruction/Applied Behavior Analysis, a Masters in Clinical Psychology, and is a doctoral student in clinical psychology, concentrating in health psychology and neuropsychology. Harry is experienced in supervision of home ABA programming, school consultation and planning, and community treatment and therapy for individuals with Autism Spectrum Disorders as well as a variety of other neurological disorders. He also has worked in inpatient settings providing services to children and their families with pediatric illness and co-morbid health conditions. Harry is skilled in a variety of assessment methods and utilizes these tools to develop a highly specific and individualized plan of treatment centered around functionality, daily living skills, and acquisition programming to meet the needs of each learner.
